INTRESTED IN : Social activities and Kids welfare.

STRENGTH : Set a goal, chase it persistently, and celebrate the sweet taste of victory.

ACHIEVEMENT : College **GOLD** Medalist in ECE Department.

A MULTIFACETED PASSIONATE LEADER :

My journey began with a gold medal in B.E ECE, where I honed my analytical skills and problem-solving abilities. Motherhood to two teenagers instilled in me the profound importance of nurturing young minds and fostering strong values. This passion led me to pursue an LLB, further equipping me to advocate for positive change.

uKiddiy: Where Technology Meets Moral Values

In my professional role, I serve as a consultant for APT Skills Software Services Pvt. Ltd.

uKiddiy is a children's app from our company that fosters moral learning. I'm proud to be an advisor on this project. uKiddiy goes beyond academics. We focus on building the character of tomorrow's generation by nurturing kindness, empathy, and responsibility.
